Information for Poster Presentations at GI_Forum 2020

Dear poster presenter,

Thank you for your poster contribution to the GI_Forum 2020. We are looking forward to welcoming you in Salzburg. Below please find some poster session guidelines.

* The ideal poster
The ideal poster generates awareness and attention. Attractive posters encourage discussions and interest from others. It should give a brief overview of your work and the results achieved.

* Location and poster mounting
Please check with the help desk team on-site where the poster presentation area is. You need to mount your poster no later than Wednesday, July 8, 2020, 1:00 pm. For each poster a pin board (including 4 pins) is available.
The total height of the pinboards is 1.80m, the poster area is 1.20m x 1.50m, equivalent to DIN A0 (portrait) or DIN A1 (landscape) format.
Please find your poster board number on the lists provided either on the first or last board of the poster session. If you have any questions, please find Mr. Hermann Klug, who will be available in the poster area on Wednesday 9:00 – 12:00.
Make sure that you do not forget your poster at the end of the symposium. Posters not claimed by Friday afternoon 2:00 pm will be disposed. The GI_Forum team does not take any responsibility for the posters.

* Poster session
Poster discussion starts on Wednesday, July 8, 2020 at 7:00 pm. We kindly ask you to be available at the poster location for discussion. Please be prepared to present your poster in approx. 2 minutes.

* Poster competition
All submitted posters are automatically included in the AGIT/GI_Forum poster competition. From 1:00 pm on Wednesday, July 8, 2020 until 2:00 pm on Thursday, July 9, 2020 all mounted posters will be numbered and voted for. All AGIT / GI_Forum participants are eligible to vote with a ticket included within the conference materials. The award ceremony will be held during the closing session on Friday, July 10, 2020.

* Poster guidelines …
- The poster text is readable from a distance of 1-2m
- The poster tells a story and is connected through a red thread
- The poster includes a title, graphics, pictures, tables, explanations, and author contacts
- A consistent summary is available
- Handouts for interested people are available
